The President of the Dasara Industrial and Agricultural Exhibition Committee submits for favorable consideration an application from Mr. G. Subbasami Iyer, Secretary to the Exhibition Committee, requesting, for reasons stated, that he may be relieved of the duties of the Secretary, a reasonable bonus being granted for the work already done by him, and that if this be not possible he may be given a substantial increase to his pay and thereby made a Gazetted officer. Mr. Krumbiegel states that Mr. Subbasami Iyer is a hard working officer, that it would not be good for the Exhibition work to relieve him just now and that a bonus would not be an adequate reward. He strongly recommends that Government may be pleased t improve Mr. Subbasami Iyer's status as his services in the industrial development in general are deserving of recognition.

month's pay to the Superintendent, the Assistant Superintendent and the Drawing Master of the Mysore Industrial School for work done in connection with the Exhibition of 1909. When this proposal came up for consideration I recorded the opinion that the proposed bonus might be paid as a very special case, the more especially as these three officials worked very hard night and day at the Exhibition doing their level best to bring up backward work and as it was well known that Mr. Subbasami Iyer remained and served at his post notwithstanding the heavy strain on him caused by his daughter's illness with plague. But as the Council were not in favour of the proposal being entertained, the Government declined to sanction the recommendation.

3. I still think that the original proposals for the grant of bonuses may be sanctioned.

4. Since the date of Mr. Krumbiegel's recommendation, Mr. Subbasami Iyer has been taken on the Economic Conference in connection with the starting of a tile factory and for this work he is given an allowance of Rs.75 per mensem.

5. I submit the papers for orders.

18 Para 3 of the Dewan's note which contains the recommendation accepted by H.H. refers to the original proposal for the grant of bonuses. The 'original proposals' are evidently those made in letter 7663 of 4 Feb 10 from the D of Ed. that a bonus of one months' pay be given to the Supdt, Asst Supdt & drawing master of the Industrial school for work connected with the 'last' Dasara exhbn ie the exhbn of 1909.

I venture respectfully to express my doubt whether H. H's order as it stands can be taken to mean that such retrospective Effect should be given to the Order. The point may perhaps be cleared up.

In any case, I think that the portion of the order which directs that "Such other officials of the Ind! This practically gives to the Presidt of the Extra Committee power to employ the whole staff of the Industrial School for Extra work and give them bonus. It is easy to imagine what the tendency of things will be under this order. The number of men who may be taken or the amount which may be given as bonus in any year should have a maximum

SIR,

I have the honor to forward herewith for favourable consideration of Government, application received from Mr. G. Subbuswami Iyer, Secretary to the Mysore Dasara Industrial and Agricultural Exhibition. He is a hard working officer and I do not think it would be good for the Exhibition work to relieve him just now nor would a bonus as asked for be an adequate reward.

The question of making him a Gazetted Officer on better pay should be moved by the Department he is working under as Superintendent of Industrial School. He has however my entire sympathy and I strongly recommend that Government may be pleased to see their way to better his status socially and financially as Mr. G. Subbuswami Iyer's services in the Industrial development in general are deserving of recognition.

The President,

Exhibition Committee. Bangalore.

Sir,

With reference to G. O. No. R. 6001-2/A 3 dated 28th April 1911 sanctioning the holding at Mysore of the fifth Dasara Industrial and Agricultural Exhibition, I have the honor to respectfully submit that since the first Exhibition of 1907 I have been given heavy work in connection with each. In the first two Exhibitions I had the work of receiving and registering exhibits, staging those of the Industrial Section and returning almost all to the owners (the heaviest portion of the work in an Exhibition) I had to direct the preperation of the Exhibit Register and the Catalogue of exhibits and had also to do a great portion of the office work connected with the replies to the claims relating to the loss or otherwise of exhibits &c. In 1909 Government were pleased to appointme as Secretary by virtue of which the brunt of

the

4

the whole weight fell upon my shoulders and I had to get through the work in the midst of heavy anxiety weighing upon my mind consequent upon my two daughters having been attacked by serious illness about the time of the Exhibition of 1909. The nature of work done by me in these three Exhibitions ~~have~~ has been dwelt upon by the two Presidents of the Exhibition. It is only in last year I was given two Assistants, though a little late, both of whom had the good fortune of having secured special allowances. I beg repectfully to add for the information of Government that my predecessor in Office Mr. K. Subba Rau (Second Assistant to the Revenue Commissioner) got a bonus of Rs. 500/- for the work done in the year 1907. I have also to submit that I have to incur year after year extra expenses in order to maintain my social status as Secretary to the Exhibition. It is within the knowledge of Government that I devote my whole day to Government work. I leave my house at about 7 and return home at 11-30 A. M. I come to the Exhibition Office immediately after meals to attend to the work and then go straight to the School at about 3 P. M. and return home by 6-30 P. M. ~~when~~ where I find generally a tray of Exhibition papers for ~~ex~~ -- signature or for disposal. The strain on my energy is consequently great and I have to arrange for special comforts at additional costs to stand this continued work in spite of being blessed with a good constitution. The consequence will be that I shall become unfit ~~to~~ for active work much sooner than I shall otherwise be. As

5

As I have a large family to maintain, I shall have to do a little commercial work after my retirement with a view to add ~~xxx~~ to the small pension I may get an account of my having joined the Mysore service very late. I shall not be able to achieve my aim if I am to continue to work at this rate. I beg therefore that you will kindly place before Government the circumstances of my situation and to get me relieved of the ~~relies~~ duties of the Secretary ~~except~~ with such bonus that the Government may consider reasonable for the work I have done. If this be not possible, I beg that I may be given substantial increase to my pay and thereby made a Gazetted Officer agreeably to my duties. This will afford me the fecility of earning the sum of pension which I wanted to make up otherwise after my retirement.

I have the honor to be,

Sir,

Your most obedient servant,
